CASE MANAGEMENT Q & A

All workers' componeation insurers have been required to provide managed care services in their policies since January 1, 1995. Self-insured employers were required to lews such services as of January 1, 1996. The South Dateita Departme of Lator and Regulation adopted rules in 1993 to carry out this law. This section teindeded to answer the most commonly alsed questions about case management.

Q: How Do I Choose A Plan?

O: New Do I Choose A Plan?

Wholes compensation insurance companies are inquired to contract with one or more case management plans. The Department must certify the plans A self-insurand employer may also have the jace certified by the Department.

O: How Do I Find Out How A Plan Worker?

O: How Do I Find Out How A Plan Worker?

C Leas management companies are required to have a system of communicating with employees, employers and medical providers. They must plan is administered A plan must have a 24-bent of lifered between the plans are the plans are considered and a state of the plans are considered and an advantage of the plans are considered as to receive information and advices about medical genitories. If must also provide employers a morbitly report on the employees it is encoded with.

O: Can injured Workers Still Chooses Their Medical Practitioner?

A Workers have the right to choose their imedical practitioner they seem contain particular and a series of the plans, as well as the attest commodition and accordance of the plans, as well as the attest commodition and accordance of the plans as well as the attest contained and accordance of the plans and the control of a subsequent commutations or referrate.

O: Can I Lie Mone Than Cone Plan?

A An insurer of self-insurer can contract with as many certified plans as it

- Chools.

 C. Who Is Supposed To fell The Medical Practitioner That A Claim is Under Case Management?

 A. Employees are required to fell the the valeting medical practitioner which plan covers them before treatment is provided. Employees must also report the injury to the plan while A town after it is exported to ferm. The plan then has to the plan with a Choos after it is exported to from The plan then has to the plan the plan to the plan while A town after it is exported to from The plan then has to C. D. Does Every Injury Men To Be Under Case Management?

 A. Every pirpy has to be reported to the employer's case management plan. However, the instruer may consider some claims to be so minor that management of the restantent is unnecessary, and may elect not to have the claim managed. Employees retain the right, in any case, to have access to medical existing which is do bour after their request them.

SMALL CLAIMS PROCEDURE

If you have a disputed medical claim of \$8,000 or less and DLR signed an order approved an agreement establishing your right to benefits, you can file a petition a small claims hearing to resolve the dispute. There is no filing feer required, the hearings are on the telephone, are fairly informal, and your case can be heard

2024 South Dakota Minimum Wage Requirement

\$11.20 / Hour

See SDCL 60-11-3 and 60-11-3.2. Employers with tipped employees must pay a cash wage of no less than \$5.40 per hour, which is no less than 50% of the state minimum wage. See SDCL 60-11-3.1. South Dakota state minimum requirements apply to all employees: however, no minimum wage requirements apply to independent
